SOLUTIONS WITHOUT BORDERS

At a Glance

From Vision to Reality,
Delegata brings the world to you

Who We Are

Delegata is a premier consulting and systems integration firm specializing in eBusiness Solutions, Project Management, Application Development, Process Alignment, Technology Migration, Planning and Analysis. Our customer-centric solutions establish the architectural frameworks that support seamless transitions from existing to new technologies while leveraging current investments. Utilizing strong industry acumen and our configurable Diamond Methodology, Delegata begins with client business objectives, aligns technology components, and delivers tightly integrated total solutions tailored to our clients' unique environments.

Global Expertise, Local Focus.

The global experience of Delegata's team translates to solutions spanning a broad spectrum of complex business environments, technologies and industries. The result: proven, low-risk solutions that save time and money. While Delegata's reach is global and our team has a solid track record of serving clients worldwide, our focus is local. We serve public and private sector clients with an emphasis on local presence and community involvement.

Industry Solutions

Delegata's industry-specific solutions provide targeted business functionality to meet near-term goals while positioning to meet future needs. Our management team has expertise working with clients in many industries including government, healthcare, finance, utilities and energy. We deliver solutions, customized for each client, that bridge existing systems with innovative technologies to deliver comprehensive results.

Delegata solutions include:

- Enterprise Architecture
- Project Management Office (PMO)
- Custom Web-Based Development
- Technology Migration
- Portal Implementation
- Voice over IP (VoIP)
- Reusable Frameworks
- Portfolio Management

Diamond Methodology

Delegata's dynamic, best practices-based internal methodology, Diamond[®], governs the integration and deployment of customized solutions in support of client objectives. It covers the entire solution life cycle from initiation and implementation through optimization. Employing Diamond, Delegata blends client standards with proven industry methodologies and helps clients envision, plan and implement a variety of solutions to elevate process performance, internal competency and technological capability.
